MOONLIGHT PIGNLG

Sasake, a very importment Japanse, was the defendant in the Police Court today in two cases of assault was charged with beating a Japanese voman, lone by name, with a wooden Andrews, Peters & Andrade for other shoe. In the second case he was parties to the suit. charged with attempting to chew off the fingers of another Japanese. Shi bess and professional men who have oda by name. The whole trouble was

It seems that the three Japanese ton for the purpose of taking a hand it and a number of others went out to a the political situation. A Balletin remoonlight picnic last night. The in porter learned from Mr. Hatch's offic fuence of the rays of the moon and this morning that the departure of the

The husband of lone went home R, & I. Co, and nothing else. without his wife, and in the Police Court today was unable to give the reason for so doing. lone then went ome and later on came Tom Sasaki. The latter broke into lone's room and struck her with a shoe. She called for assistance and Shiroda, the husband, went to her. He grappled with nights, closing last night to a well cinlist and our operators are graduate

in the first case and objected to the fine of \$6 and costs. When he was called up on the second case, he changed his tune somewhat and said he was so drunk that he really could not ell what he did so. Another fine of

Judge Wilcox has worn a very wisc oos throughout the trial of the Jap ances and when the two cases had een dispused of he explained that he had had a few of the echoes of the Japanese moonlight picale himself, as he lived close to the place where the festivities were carried on.

When he woke this morning and went out into the yard he found that sleep on the beach when the tide was ow. In the meantime the tide had risen and the fellow was in imminent peril of being drowned. It took the concerted effort of all the people on the place to drag the Japanese to a place of safety. He was fast becoming convinced that moonlight plenics were not conducive to the welfare of
